At Large Board Member

Garner Chandler was initially invited to LAI, Memphis Chapter in the late 90's, but upon moving to an area of Florida with no chapter, she let it lapse and is thrilled to be part of the LAI community again. She is also a member of the Counselors of Real Estate and current President of the Capital Region Chapter of CRE®. She moved to DC in 2022 and lives in the DuPont Circle / Adams Morgan neighborhood. While mostly retired, her background is market data and research.
